

Aflac
Open Enrollment
November 8th – 30th

Aflac is different from major medical insurance. If you're sick or injured, Aflac pays cash benefits directly to you (unless otherwise assigned) to help address out-of-pocket medical costs, everyday expenses, or whatever you choose. For over 60 years, we have focused on giving customers the best supplemental insurance experience possible. Aflac supplemental insurance plans help provide the added comfort of being better prepared for what life may bring. Aflac helps fill in the gaps that health insurance doesn't cover.

The following Aflac products are available to you and your family:

- Accident Advantage
- Cancer Protection Assurance
- Critical Care Protection
