PREMIUMS

You are required to contribute towards the cost of your coverage.

You are required to contribute towards the cost of your Dependent Enrollee's coverage.

We may cancel the Contract 31 days after written notice to the Contractholder if monthly premiums are not paid when due.

ELIGIBILITY AND ENROLLMENT

Eligibility Requirements

You will become eligible to receive Benefits on the date stated in the Contract after completing any eligibility periods required by the Contractholder as stated in the Contract.

If your dependents are covered, they will be eligible when you are or as soon as they become dependents.

- Dependents are the Primary Enrollee's Spouse and dependent children from birth to age 28.
- Children include natural children, stepchildren, foster children, adopted children, children placed for adoption and children of a partner as recognized by the Contractholder, children for which you have been appointed legal guardian, and children for whom you have become party to a suit in which you seek to adopt. Newborn infants are eligible from the moment of birth. Adopted children are eligible from the date of placement for adoption and from the date you become party to a suit in seeking to adopt the child(ren) or final decree of adoption, whichever occurs first. The dependents of Primary Enrollees are eligible to enroll on the same date that the employee, of whom they are a Dependent, becomes a Primary Enrollee. Later-acquired dependents become eligible as soon as they acquire dependent status.
- Grandchildren who are less than 28 years of age and are a dependent of the Primary Enrollee for federal income tax purposes at the time of application for coverage of the grandchild is made. Coverage for said grandchild(ren) may not be terminated solely because the grandchild(ren) is/are no longer dependent upon the Primary Enrollee for federal income tax purposes.
- Dependent children, including grandchildren, less than 28 years of age for whom the Primary Enrollee is required to insure under a medical support order issued under Chapter 154 Family Code or enforceable by a court in Texas. Said dependent child(ren) may request to be covered under the Primary Enrollee's coverage.
- Newborn infants are eligible from the moment of birth and coverage continues for a period of 31 days. However, an additional Premium may be required for the initial period of coverage of the newborn. In order for coverage of a newborn to continue beyond the initial 31 day period, you must notify Delta Dental of the birth of the newborn and pay any additional Premium required to maintain coverage.
- An overage dependent child, including grandchild may be eligible if:
 - (1) he or she is incapable of self-sustaining employment because of a physically or mentally disabling injury, illness or condition that began prior to reaching the limiting age;
 - (2) he or she is chiefly dependent on the eligible employee for support; and
 - (3) proof of dependent child's disability is provided within 31 days of request. Such requests will not be made more than once a year following a two year period after this dependent reaches the limiting age. Eligibility will continue as long as the dependent relies on the eligible employee for support because of a physically or mentally disabling injury, illness or condition that began before he or she reached the limiting age.

Dependents serving active military duty are not eligible, as they are typically covered under health and dental insurance provided by the military while they are on active duty.

Enrollment Requirements

If the Contractholder is paying all premiums for you and your dependents, everyone is automatically enrolled.

If you are paying all or a portion of premiums for yourself or your dependents then:

- You must enroll within 31 days after the date you become eligible or during an Open Enrollment Period.
- All dependents must be enrolled within 31 days after they become eligible or during an Open Enrollment Period.
- If you elect dependent coverage, you must enroll all of your Dependent Enrollees for coverage.
- You must pay Premiums in the manner elected by the Contractholder and approved by us. Coverage cannot be dropped or changed other than during an Open Enrollment Period or because of a Qualifying Status Change.
- If you pay Premiums for your Dependent Enrollees, you must pay the Premiums in the manner elected by the Contractholder and approved by us until your dependents are no longer eligible or until you choose to drop dependent coverage. Coverage may not be changed at any time other than during an Open Enrollment Period or if there is a Qualifying Status Change.

- If both you and your Spouse are eligible persons, one may not enroll as a Dependent Enrollee of the other. Dependent children may enroll as Dependent Enrollees of only one Primary Enrollee.
- A child who is eligible as a Primary Enrollee and a dependent can be insured under the Contract as a Primary Enrollee or as a Dependent Enrollee but not both at the same time.

Loss of Eligibility

Your coverage ends on the earlier of the last day of the month you stop working for the Contractholder, are no longer an Eligible Employee of the Contractholder or immediately when the Contract ends. Your Spouse loses coverage when your coverage ends or when dependent status is lost. Your dependent children lose coverage when your coverage ends or the last day of the month when dependent status is lost.

Continuation of Benefits

We will not pay for any services/treatment received after your coverage ends. However, we will pay for covered services incurred while you were eligible if the procedures were completed within 31 days of the date your coverage ended.

A dental service is incurred:

- for an appliance (or change to an appliance), at the time the impression is made;
- for a crown, bridge or cast restoration, at the time the tooth or teeth are prepared;
- for root canal therapy, at the time the pulp chamber is opened; and
- for all other dental services, at the time the service is performed or the supply furnished.

Strike, Lay-off and Leave of Absence

You and your dependents will not be covered for any dental services received while you are on strike, lay-off or leave of absence, other than as required under the Family & Medical Leave Act of 1993 or other applicable state or federal law*. You and your Dependent Enrollees will not be covered for any dental services while the Primary Enrollee stops work because of a labor dispute unless you: (1) make timely payments of the premium for each Enrollee who is covered under the plan on the date the work stoppage begins; (2) continue to pay the premium due from the employee's individual contribution during the work stoppage; and (3) assume and pay the premium due from the employer during the work stoppage.

Benefits for you and your Dependent Enrollees will resume as follows:

- if coverage is reactivated in the same Calendar Year, Deductibles and maximums will resume as if you were never gone; or
- if coverage is reactivated in a different Calendar Year, new Deductibles and maximums will apply.

*Coverage for you and your dependents is not affected if you take a leave of absence allowed under the Family & Medical Leave Act of 1993 or other applicable state or federal law. If you are currently paying any part of your premium, you may choose to continue coverage. If you do not continue coverage during the leave, you can resume that coverage on your return to active work as if no interruption occurred.

Important: The Family & Medical Leave Act of 1993 does not apply to all companies, only those that meet certain size guidelines. See your Human Resources Department for complete information.

If you are rehired within the same Calendar Year, Deductibles and maximums will resume as if you were never gone.

Continued Coverage under USERRA

As required under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA), if you are covered by the Contract on the date your USERRA leave of absence begins, you may continue dental coverage for yourself and any covered dependents. Continuation of coverage under USERRA may not extend beyond the earlier of:

- 24 months, beginning on the date the leave of absence begins, or;
- the date you fail to return to work within the time required by USERRA.

For USERRA leave that extends beyond 31 days, the premium for continuation of coverage will be the same as for COBRA coverage.

Continuation of Coverage Under COBRA

COBRA (the Consolidated Omnibus Budget Reconciliation Act of 1985) provides a way for you and your Dependent Enrollees who lose employer-sponsored group health plan coverage to continue coverage for a period of time. COBRA does not apply to all companies, only those that meet certain size guidelines. See your Human Resources Department for complete information.

We do not assume any of the obligations required by COBRA of the Contractholder or any employer (including the obligation to notify potential beneficiaries of their rights or options under COBRA).

CONDITIONS UNDER WHICH BENEFITS ARE PROVIDED

We will pay Benefits for the dental services described in Attachment B. We will pay Benefits only for covered services. The Contract covers several categories of dental services when a Provider provides them and when they are necessary and within the standards of generally accepted dental practice standards. Claims will be processed in accordance with our standard processing policies. The processing policies may be revised at the beginning of a Calendar Year to comply with annual CDT changes made by the American Dental Association and to reflect changes in generally accepted dental practice standards. Delta Dental will provide advance notice of such changes to the Contractholder who will then distribute to Primary Enrollees.

We will use the processing policies that are in effect at the time the claim is processed. We may use dentists (dental consultants) to review treatment plans, diagnostic materials and/or prescribed treatments to determine generally accepted dental practices and to determine if treatment has a favorable prognosis. Limitations and Exclusions will be applied for the period the person is an Enrollee under any Delta Dental program or prior dental care program provided by the Contractholder subject to receipt of such information from the Contractholder or at the time a claim is submitted. Additional eligibility periods, if any, are listed in Attachment A. If you receive dental services from a Provider outside the state of Texas, the Provider will be paid according to Delta Dental's network payment provisions for said state according to the terms of the Contract.

If a primary dental procedure includes component procedures that are performed at the same time as the primary procedure, the component procedures are considered to be part of the primary procedure for purposes of determining the Benefit payable under the Contract. Even if the Provider bills separately for the primary procedure and each of its component parts, the total Benefit payable for all related charges will be limited to the maximum Benefit payable for the primary procedure.

Enrollee Coinsurance

We will pay a percentage of the Maximum Contract Allowance for covered services, as shown in Attachment A and you are responsible for paying the balance. What you pay is called the enrollee coinsurance ("Enrollee Coinsurance") and is part of your out-of-pocket cost. You pay this even after a Deductible has been met.

The amount of your Enrollee Coinsurance will depend on the type of service and the Provider providing the service (see section titled "Selecting Your Provider"). Providers are required to collect Enrollee Coinsurance for covered services. Your group has chosen to require Enrollee Coinsurances under this program as a method of sharing the costs of providing dental Benefits between the Contractholder and Enrollees. If the Provider discounts, waives or rebates any portion of the Enrollee Coinsurance to you, we will be obligated to provide as Benefits only the applicable percentages of the Provider's fees or allowances reduced by the amount of the fees or allowances that are discounted, waived or rebated.

It is to your advantage to select DPO Providers because they have agreed to accept the Maximum Contract Allowance as payment in full for covered services, which typically results in lower out-of-pocket costs for you. Please refer to the section titled "Selecting Your Provider" for more information.

Deductible

Your dental plan features a Deductible. This is an amount you must pay out-of-pocket before Benefits are paid. The Deductible amounts are listed in Attachment A. Deductibles apply to all benefits unless otherwise noted. Only the Provider's fees you pay for covered Benefits will count toward the Deductible.

Maximum Amount

Most dental plans have a Maximum Amount. A Maximum Amount is the maximum dollar amount we will pay toward the cost of dental care. You are responsible for paying costs above this amount. The Maximum Amount payable is shown in Attachment A. Maximums may apply on a yearly basis, a per services basis, or a lifetime basis.

Pre-Treatment Estimate

Pre-Treatment Estimate requests are not required; however, your Provider may file a Claim Form before beginning treatment, showing the services to be provided to you. We will estimate the amount of Benefits payable under the Contract for the listed services. By asking your Provider for a Pre-Treatment Estimate from us before you agree to receive any prescribed treatment, you will have an estimate up front of what we will pay and the difference you will need to pay. The Benefits will be processed according to the terms of the Contract when the treatment is actually performed. Pre-Treatment Estimates are valid for 365 days unless other services are received after the date of the Pre-Treatment Estimate, or until an earlier occurrence of any one of the following events:

- the date the Contract terminates;
- the date Benefits under the Contract are amended if the services in the Pre-Treatment Estimate are part of the amendment;
- the date your coverage ends; or
- the date the Provider's agreement with Delta Dental ends.

A Pre-Treatment Estimate does not guarantee payment. It is an estimate of the amount we will pay if you are enrolled and meet all the requirements of the program at the time the treatment you have planned is completed and may not take into account any Deductibles, so please remember to figure in your Deductible if necessary.

Coordination of Benefits

We coordinate the Benefits under the Contract with an Enrollee's benefits under any other group or pre-paid plan or insurance policy designed to fully integrate with other policies. If this plan is the "primary" plan, we will not reduce Benefits. If this plan is the "secondary" plan, we may reduce Benefits otherwise payable under the Contract so that the total benefits paid or provided by all plans do not exceed 100 percent of total allowable expense.

- How do we determine which plan is the "primary" program?
 - (1) The plan covering you as an employee is primary over a plan covering you as a dependent.
 - (2) The plan covering you as an employee is primary over a plan which covers the insured person as a dependent; except that: if the insured person is also a Medicare beneficiary, and as a result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is:
 - a) secondary to the plan covering the insured person as a dependent and
 - b) primary to the plan covering the insured person as other than a dependent (e.g. a retired employee), then the benefits of the plan covering the insured person as a dependent are determined before those of the plan covering that insured person as other than a dependent.
 - (3) Except as stated below, when this plan and another plan cover the same child as a dependent of different persons, called parents:
 - a) The benefits of the plan of the parent whose birthday falls earlier in a year are determined before those of the plan of the parent whose birthday falls later in that year, but
 - b) If both parents have the same birthday, the benefits of the plan which covered one parent longer are determined before those of the plan which covered the other parent for a shorter period of time.
 - c) However, if the other plan does not have the birthday rule described above, but instead has a rule based on the gender of the parent, and if, as a result, the plans do not agree on the order of benefits, the rule in the other plan will determine the order of benefits.

- (4) In the case of a dependent child of legally separated or divorced parents, the plan covering the Enrollee as a dependent of the parent with legal custody, or as a dependent of the custodial parent's Spouse (i.e. step-parent) will be primary over the plan covering the Enrollee as a dependent of the parent without legal custody. If there is a court decree which would otherwise establish financial responsibility for the health care expenses with respect to the child, the benefits of a plan which covers the child as a dependent of the parent with such financial responsibility will be determined before the benefits of any other policy which covers the child as a dependent child.
- (5) If the specific terms of a court decree state that the parents will share joint custody, without stating that one of the parents is responsible for the health care expenses of the child, the plans covering the child will follow the order of benefit determination rules outlined in (3) a) through (3) c).
- (6) The Benefits of a plan which covers an insured person as an employee who is neither laid off nor retired are determined before those of a plan which covers that insured person as a laid off or retired employee. The same would hold true if an insured person is a dependent of a person covered as a retiree and an employee. If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this rule is ignored.
- (7) If an insured person whose coverage is provided under a right of continuation pursuant to federal or state law also is covered under another plan, the following will be the order of benefit determination:
 - a) First, the Benefits of a plan covering the insured person as an employee or Primary Enrollee (or as that insured person's dependent);
 - b) Second, the Benefits under the continuation coverage.If the other plan does not have the rule described above, and if, as a result, the plans do not agree on the order of benefits, this rule is ignored.
- (8) If none of the above rules determine the order of benefits, the benefits of the plan which covered you longer are determined before those of the plan which covered you for the shorter term.

SELECTING YOUR PROVIDER

Free Choice of Provider

You may see any Provider for your covered treatment whether the Provider is a DPO Provider, Premier Provider or a Non-Delta Dental Provider. This plan is a DPO plan and the greatest benefits – including out-of-pocket savings – occur when you choose a DPO Provider. To take full advantage of your Benefits, we highly recommend you verify a Provider's participation status within a Delta Dental network with your dental office before each appointment. Review this section for an explanation of Delta Dental payment procedures to understand the method of payments applicable to your Provider selection and how that may impact your out-of-pocket costs.

Locating a DPO Provider

You may access information through our website at deltadentalins.com. You may also call our Customer Service Center and one of our representatives will assist you. We can provide you with information regarding a Provider's network participation, specialty and office location.

Choosing a DPO Provider

A DPO Provider potentially allows the greatest reduction in Enrollees' out-of-pocket expenses since this select group of Providers will provide dental Benefits at a charge that has been contractually agreed upon. Payment for covered services performed by a DPO Provider is based on the Maximum Contract Allowance.

Choosing a Premier Provider

A Premier Provider is a Delta Dental Provider who has not agreed to the features of the DPO plan. Payment for covered services performed by a Premier Provider is based on the Maximum Contract Allowance. The amount charged by a Premier Provider may be above that accepted by DPO Providers but no more than the Delta Dental Premier Contracted Fee.

Choosing a Non-Delta Dental Provider

If a Provider is a Non-Delta Dental Provider, the amount charged to Enrollees may be above that accepted by DPO or Premier Providers, and Enrollees will be responsible for balance billed amounts. Payment for covered services performed by a Non-Delta Dental Provider is based on the Maximum Contract Allowance, and the Enrollee may be balance billed up to the Provider's Submitted Fee.

Additional Obligations of DPO and Premier Providers

- The DPO Provider or Premier Provider must accept assignment of Benefits, meaning these Providers will be paid directly by Delta Dental after satisfaction of the Deductible and Enrollee Coinsurance. The Enrollee does not have to pay all the dental charges while at the dental office and then submit the claim for reimbursement.
- The DPO Provider or Premier Provider will complete the dental Claim Form and submit it to Delta Dental for reimbursement.
- DPO and Premier Providers accept contracted fees as payment in full for covered services and will not balance bill if there is a difference between Submitted Fees and contracted fees.

How to Submit a Claim

Claims for Benefits must be filed on a standard Claim Form that is available in most dental offices. DPO and Premier Providers will fill out and submit your claims paperwork for you. Some Non-Delta Dental Providers may also provide this service upon your request. If you receive services from a Non-Delta Dental Provider who does not provide this service, you can submit your own claim directly to us. Please refer to the section titled "Notice of Claim Form" for more information.

Your dental office should be able to assist you in filling out the Claim Form. Fill out the Claim Form completely and send it to:

Delta Dental Insurance Company
P.O. Box 1809
Alpharetta, Georgia 30023-1809

Payment Guidelines

We do not pay DPO or Premier Providers any incentive as an inducement to deny, reduce, limit or delay any appropriate service.

If you or your Provider files a claim for services more than 12 months after the date you received the services, payment may be denied. Failure to provide notice within the time prescribed does not invalidate or reduce the claim any claim if it is shown it was not reasonably possible to give the notice within that time and notice was given as soon as reasonably possible. If the services were received from a Non-Delta Dental Provider, you are still responsible for the full cost. If the payment is denied because your DPO Provider failed to submit the claim on time, you may not be responsible for that payment. However, if you did not tell your DPO Provider that you were covered under a Delta Dental Policy at the time you received the service, you may be responsible for the cost of that service.

If you have any questions about any dental charges, processing policies and/or how your claim is paid, please contact us.

Provider Relationships

Enrollees and Delta Dental agree to permit and encourage the professional relationship between Provider and Enrollee to be maintained without interference. Any DPO, Premier or Non-Delta Dental Provider, including any Provider or employee associated with or employed by them, who provides dental services to an Enrollee does so as an independent contractor and shall be solely responsible for dental advice and for performance of dental services, or lack thereof, to the Enrollee.

CLAIMS APPEAL

We will notify you and your Provider if Benefits are denied for services submitted on a Claim Form, in whole or in part, stating the reason(s) for denial. You have at least 180 days after receiving a notice of denial to request an appeal or grievance by writing to us or by calling Customer Service at 800-521-2651 giving reasons why you believe the denial was wrong. You and your Provider may also ask Delta Dental to examine any additional information provided that may support the appeal or grievance.

Send your appeal or grievance to us at the address shown below:

Delta Dental Insurance Company
P.O. Box 1860
Alpharetta, GA 30023

We will send you a written acknowledgment within 5 days upon receipt of the appeal or grievance. We will make a full and fair review and may ask for more documents during this review if needed. Before approving a claim, we will be entitled to receive, to such extent as may be lawful, from any attending or examining Provider, or from hospitals in which a Provider's care is provided, such information and records relating to attendance to or examination of, or treatment provided to, you as may be required to administer the claim, or have you be examined by a dental consultant retained by us at our expense, in or near your community or residence. We will in every case hold such information and records confidential.

Notice of Claim Form

We will give you or your Provider, on request, a Claim Form to make claim for Benefits. To make a claim, the form should be completed and signed by the Provider who performed the services and by the patient (or the parent or guardian if the patient is a minor) and submitted to us at the address above.

If the form is not furnished by us within 15 days after requested by you or your Provider, the requirements for proof of loss set forth in the next paragraph will be deemed to have been complied with upon the submission to us, within the time established in said paragraph for filing proofs of loss, of written proof covering the occurrence, the character and the extent of the loss for which claim is made. You or your Provider may download a Claim Form from our website.

Written Notice of Claim/Proof of Loss

We must be given written proof of loss within 12 months after the date of the loss. If it is not reasonably possible to give written proof in the time required, the claim will not be reduced or denied solely for this reason, provided proof is filed as soon as reasonably possible. In any event, proof of loss must be given no later than one year from such time (unless the claimant was legally incapacitated).

All written proof of loss must be given to us within 12 months of the termination of the Contract.

Time of Payment

Claims payable under the Contract for any loss other than loss for which the Contract provides any periodic payment will be processed no later than 15 days after written proof of loss is received. We will notify you and your Provider of any additional information needed to process the claim within this 15 day period.

To Whom Benefits Are Paid

It is not required that the service be provided by a specific dentist. Payment for services provided by a DPO or Premier Provider will be made directly to the dentist. Any other payments provided by the Contract will be made to you, unless you request when filing a proof of claim that the payment be made directly to the dentist providing the services. All Benefits not paid to the Provider will be payable to you, the Primary Enrollee, or Dependent Enrollee, or to your estate, or to an alternate recipient as directed by court order, except that if the person is a minor or otherwise not competent to give a valid release, Benefits may be payable to his or her parent, guardian or other person actually supporting him or her.

Misstatements on Application: Effect

In the absence of fraud or intentional misrepresentation of material fact in applying for or procuring coverage under the Contract, all statements made by you or the Contractholder will be deemed representations and not warranties. No such statement will be used in defense to a claim under the Contract, unless it is contained in a written application.

Any misrepresentation, omission, concealment of fact or incorrect statement which is material to the acceptance of risk may prevent recovery if, had the true facts been known to us, we would not in good faith have issued the contract at the same premium rate. If any misstatement would materially affect the rates, we reserve the right to adjust the premium to reflect your actual circumstances at enrollment.

Legal Actions

No action at law or in equity will be brought to recover on the Contract prior to expiration of 60 days after proof of loss has been filed in accordance with requirements of the Contract, nor will an action be brought at all unless brought within three (3) years from expiration of the time within which proof of loss is required by the Contract.

Conformity With Prevailing Laws

All legal questions about the Contract will be governed by the state of Texas where the Contract was entered into and is to be performed. Any part of the Contract which conflicts with the laws of Texas or federal law is hereby amended to conform to the minimum requirements of such laws.

**IMPORTANT INFORMATION ABOUT COVERAGE UNDER THE
TEXAS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**
(For Insurers declared insolvent or impaired on or after September 1, 2011)

Texas law establishes a system to protect Texas policyholders if their life or health insurance company fails. The Texas Life and Health Insurance Guaranty Association ("the Association") administers this protection system. Only the policyholders of insurance companies that are members of the Association are eligible for this protection which is subject to the terms, limitations, and conditions of the Association law. (The law is found in the *Texas Insurance Code*, Chapter 463.)

It is possible that the Association may not protect all or part of your policy because of statutory limitations.

Eligibility for Protection by the Association

When a member insurance company is found to be insolvent and placed under an order of liquidation by a court or designated as impaired by the Texas Commissioner of Insurance, the Association provides coverage to policyholders who are:

- Residents of Texas (regardless of where the policyholder lived when the policy was issued)
- Residents of other states, ONLY if the following conditions are met:
 1. The policyholder has a policy with a company domiciled in Texas;
 2. The policyholder's state of residence has a similar guaranty association; and
 3. The policyholder is *not* eligible for coverage by the guaranty association of the policyholder's state of residence.

Limits of Protection by the Association

Accident, Accident and Health, or Health Insurance:

- For each individual covered under one or more policies: up to a total of \$500,000 for basic hospital, medical-surgical, and major medical insurance, \$300,000 for disability or long term care insurance, or \$200,000 for other types of health insurance.

Life Insurance:

- Net cash surrender value or net cash withdrawal value up to a total of \$100,000 under one or more policies on a single life; or
- Death benefits up to a total of \$300,000 under one or more policies on a single life; or
- Total benefits up to a total of \$5,000,000 to any owner of multiple non-group life policies.

Individual Annuities:

- Present value of benefits up to a total of \$250,000 under one or more contracts on any one life.

Group Annuities:

- Present value of allocated benefits up to a total of \$250,000 on any one life; or
- Present value of unallocated benefits up to a total of \$5,000,000 for one contractholder regardless of the number of contracts.

Aggregate Limit:

- \$300,000 on any one life with the exception of the \$500,000 health insurance limit, the \$5,000,000 multiple owner life insurance limit, and the \$5,000,000 unallocated group annuity limit.

These limits are applied for each insolvent insurance company.

Insurance companies and agents are prohibited by law from using the existence of the Association for the purpose of sales, solicitation, or inducement to purchase any form of insurance. When you are selecting an insurance company, you should not rely on Association coverage.
