

PARTNER BENEFIT SUMMARY

ELIGIBILITY & ENROLLMENT

Eligibility

As an active Partner of Locke Lord LLP, you are eligible for certain benefits. Coverage is available for you, your spouse/ domestic partner and/or your child(ren) up to age 28. Partners are automatically enrolled in the mandatory Group Term Life/AD&D and Long Term Disability plans. All other benefits may be elected on a voluntary basis. If you decide to waive medical coverage now, you may be eligible to enroll later after a "qualifying event" (marriage, divorce, adoption, or birth of a child, death of a family member or loss of medical coverage) or during the next open enrollment period.

When Does Coverage Begin?

The elections you make are effective on the first day of employment. Due to IRS regulations, once you have made your choices for the plan year, you won't be able to change your benefits until the next enrollment period unless you experience a qualifying life event.

WELLNESS

ABA Pledge

The Firm is committed to the overall well-being of our attorneys and team members and is a signatory to the ABA's Well-Being Pledge. The ABA Well-Being Pledge is designed to help recognize that substance abuse and mental health problems represent a significant challenge for the legal profession.

Partner Physical

The Firm will reimburse each Partner for the cost of an annual physical exam and any follow-up examinations, tests or procedures recommended or advised by the examining physician up to \$600.

Member Rewards

Member Rewards, a BCBSIL program, offers a cash reward when a lower-cost, quality provider is selected from several possibilities. When a doctor recommends treatment, log into Blue Access for Members at bcbsil.com.

Then search the Doctors and Hospitals for a provider that offers the procedure at a lower cost. When you choose that provider location, you may earn a cash reward. Once you complete your procedure and it is verified, you will receive a check within 4-6 weeks. Just call the number on the back of your member ID card if you have questions.

Preventive Care Incentive

Our medical plans cover a set of Preventive services – such as immunizations and screening tests – at no cost to you! This includes an Annual Preventive Physical Incentive of \$50.

MEDICAL BENEFITS

Medical Premiums

Premium contributions for medical are deducted from your paycheck on a post-tax basis for Equity Partners and pre-tax basis for Non Equity Partners. Your level of coverage determines your monthly contributions.
